## KITCHENS

NONI WARE highlights a selection of the latest kitchen designs – from sleek units and versatile worktops to smart accessories

## Architectural lines

Inspired by the distinctive design of the Querini Stampalia Palace in Venice, this 'Intersection' kitchen – by **Molteni&C|Dada** creative director Vincent Van Duysen for Dada – combines extra thick worktops in Breccia Capraia marble with wood and ceramic elements. With a striking yet durable finish, this is a strong linear design for fans of minimalism. From £78,000. 020 7631 2345; [moltenigroup.com](http://moltenigroup.com)

## CLEAN LINES

I love this chunky **SieMatic** 'SLX' worktop in 'Syros Blanco' ceramic, which is durable and stain resistant. It is the perfect choice for an all-white kitchen or – for a dramatic contrast – pair it with dark units. Fully fitted kitchens start at £25,000. 0161 660 6895; [siematic.com](http://siematic.com)

## KNOCK ON WOOD

The 'New Forest' kitchen from **Ledbury Studio** is a contemporary design that still feels warm and inviting. Walnut veneer creates a stylish finish, as do the hand-patinated zinc panels – with deep drawers ideal for storage. Kitchens from £50,000. 020 7566 6794; [ledburystudio.com](http://ledburystudio.com)

## CHERRY ON TOP

The 'Eden-Rock' dining table from **Roche Bobois** is crafted from cherry wood and is available in two sizes. The table legs can be finished in a choice of five different stains, as can the tabletop, which is also available in elegant Carrara marble as shown here. Prices start at £3,900. 020 7751 4030; [roche-bobois.com](http://roche-bobois.com) ▷
