

## Bright idea

Can you believe this Unique light is made from 100% recycled paper? Rockett St George co-founder Jane Rockett discovered it on a trip to Morocco, where she met designer Henri Dejeant who developed a manufacturing technique not unlike papier mâché. Shown in Stone White, also available in Concrete Grey, £495. [rockettstgeorge.co.uk](http://rockettstgeorge.co.uk)

Geberit's AquaClean Sela wall-hung shower WC in Gloss Chrome, £3480, is not your average loo. With a breadth of customisable settings, its four programmable buttons allow you to set your own cleansing preferences, including water pressure and temperature. Shown here with the Sigma50 White flush plate, £229.31. [geberit-aquaclean.co.uk](http://geberit-aquaclean.co.uk)

## Style statement

KDLoves' Kelling chair, £900, comes in this bold orange, plus a bright blue, green, and yellow. Its fluted back is upholstered in the brand's patterned prints – so it looks just as good from the back as from the front. Why not complement the rest of your space with matching fabric?
