

# THE WORLD OF INTERIORS

MAY 2025

# Kitchens Ink Drama

If your old cabinets are looking a little washed up and dated, it's perhaps time to face harsh reality: you're in dire need of something scintillatingly new. Here to review the various room-elevating options available is Busola Evans – with illustrations by architectural designers Alastair Walker, Jessica Hollis and Oliver Skelton that highlight the huge impact each might have. Are you feeling that draft?
